

Motorists feel love of SA on Valentine's Day

ROSES, chocolates and flags; familiar faces and lots of love – that's what thousands of Joburg motorists experienced yesterday at the busy intersection of William Nicol and Sandton drives.

Celebrities – including DJ Sbu, Kabelo Mabalane, Danny K, Melinda Bam (Miss South Africa) and Celeste Khumalo (Miss SA Teen) – joined Proudly South African to distribute the items to motorists at the intersection.

The theme was “Show your Love for South Africa – Support Local to Create Jobs”, and the event was supported by LeadSA and the Deputy Minister of Trade and Industry, Thandi Vivian Tobias-Pokolo. – Staff Reporter
